

CASEY  
Which one is this?

HANNAH  
The finance guy?

CASEY  
The finance guy. Yes.

CUT TO: THAT  
MORNING,  
HANNAH'S  
APARTMENT

INT. HANNAH'S APARTMENT - THAT MORNING

We've seen this scene before. Now we'll see it with Hannah's inner monologue.

HANNAH (V.O.)  
So I woke up late and MB was emailing me like more than normal crazy. And I was just trying to get dressed, said to him:

HANNAH  
You have to go.

HANNAH (V.O) (CONT'D)  
And he was like 'Ok but first let me take this stupid call' because he was (air quotes) "Working. From. Home." So he takes this call and I'm just standing there like, can you get out of my bed, thank you.

CASEY (O.C.)  
Yes, thank you.

HANNAH (V.O.)  
And then finally he gets up, kisses me... ON THE FOREHEAD. And makes his way to the bathroom. To which I say:

HANNAH (CONT'D)  
Take your time!

SARAH (O.C.)  
Ever the people pleaser.

HANNAH (V.O.)  
Naturally. So now I am forced to get ready using my phone camera as a mirror, I have one leg haphazardly in my pants, the other exposed.

HANNAH (V.O) (CONT'D)

One eye of makeup done. He comes out looking like a freaking GOD. And I'm sitting there like a little goblin.

Back to present timeline.

SARAH

Remind me what this one looks like?

HANNAH

Oh he's so attractive. Like unfair.

CASEY

Can't stand that.

HANNAH

Cannot.

Hannah shows them a picture from his Hinge profile.

CASEY

Oh wow wow wow.

SARAH

Oh, so cute.

Back to scene from this morning, in Hannah's apartment.

HANNAH (V.O.)

So anyway. I'm sitting there. Hunched over. Looking my BEST. He is ready to leave, he says 'I'll text you Han' leans in to give me a real mouth kiss. I do not see it coming, so I'm naturally flustered. And in the moment. I cannot for the life of me. Remember his name. I say:

HANNAH

Bye... Cutie!

We see his face this time. Taken aback, and exiting the apartment.

Back to present moment in Casey's apartment.

HANNAH (CONT'D)

Should I end it now, or?

CASEY

It's not that bad! He wants to see you again.

(CONTINUED)

SARAH  
Did he text you?

HANNAH  
Nope.

CASEY  
Hate to see it.

SARAH  
He still could.

HANNAH  
But can I ever face him again?

SARAH  
So whats his actual name?

HANNAH  
To you, he's Hot Finance Guy.

SARAH  
Fine fine.

CASEY  
You know, that's why you can't remember  
their names. Because you refuse to tell  
us.

HANNAH  
Honestly that's probably true.
